No	Questions from Bidders	Answers
1.	In order to provide a pro-forma office layout, can you please specify the number of offices and sizes required within the 364 m2 bearing in mind a requirement of 15%-20 % circulation area.	The total space required by SIU is of the minimum of 800 m2. The number of offices required and the size will be discussed with the recommended bidder.
2.	The requirement is for 42 parking spaces but you indicate 35 personnel, and from your Bid document it appears as if some employees may use public transport. Are the rest for visitors and how many?	The 42 packing requirement also include the future growth of the SIU.
