RE: RFP: 05/12/2024/ICT: Appointment of Service Provider to develop Data Warehouse with Data Analytics functionality to meet the data and information storage, processing, management, and governance needs of the Special Investigating Unit (SIU).

1. The purpose of this communication is to notify bidders that the SIU is aware of the internet challenges experienced on 06 to 13 January 2025.
2. The matter is currently being attended to and it is unfortunate that it was not resolved the date of the scheduled briefing session of 13 January 2025.

4. The SIU would like to offer bidders a second opportunity by hosting a second briefing session.
5. This is to ensure that the SIU complies with Section 217 of the Constitution, ensuring fairness.
6. The second briefing session will be conducted as follows:
